**Issued U. S. Patent 7,076,456 B1**

**CERTIFICATE OF CORRECTION**

Commissioner for Patents  
Attn: Certification of Corrections Branch  
P. O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This Certificate of Correction is submitted to correct a typographical error in issued Claim 11 of issued U. S. Patent 7,076,456 B1, where the word “new” was incorrectly typed as “now” in the “iteratively repeating ...” claim element. That is, “... until said now next highest ranked question ...” should recite “... until said new next highest ranked question ...” in col. 9, lines 3 - 4 of issued U. S. Patent 7,076,456 B1.

No new matter is introduced with this Certificate of Correction. See, for example,

- the amendment filed on April 13, 2005, where then-numbered Claim 14 – which

issued as Claim 11 – recites the term correctly as “new”;

- issued Claim 22, which uses the correct term “new” in the “iteratively repeating ...” claim element;
- the Remarks section on page 12 of the amendment filed on April 13, 2005 which states, on lines 5 - 6, “... [then-numbered] claim 14 has been amended to include limitations set forth in canceled claims 19 and 23”. By reference to the amendment filed on November 13, 2003, it can be seen that the claim language previously presented in Claim 23 stated, on line 5, “... said new next ...”.

Respectfully submitted,

/Marcia L. Doubet/
